FOREWORD

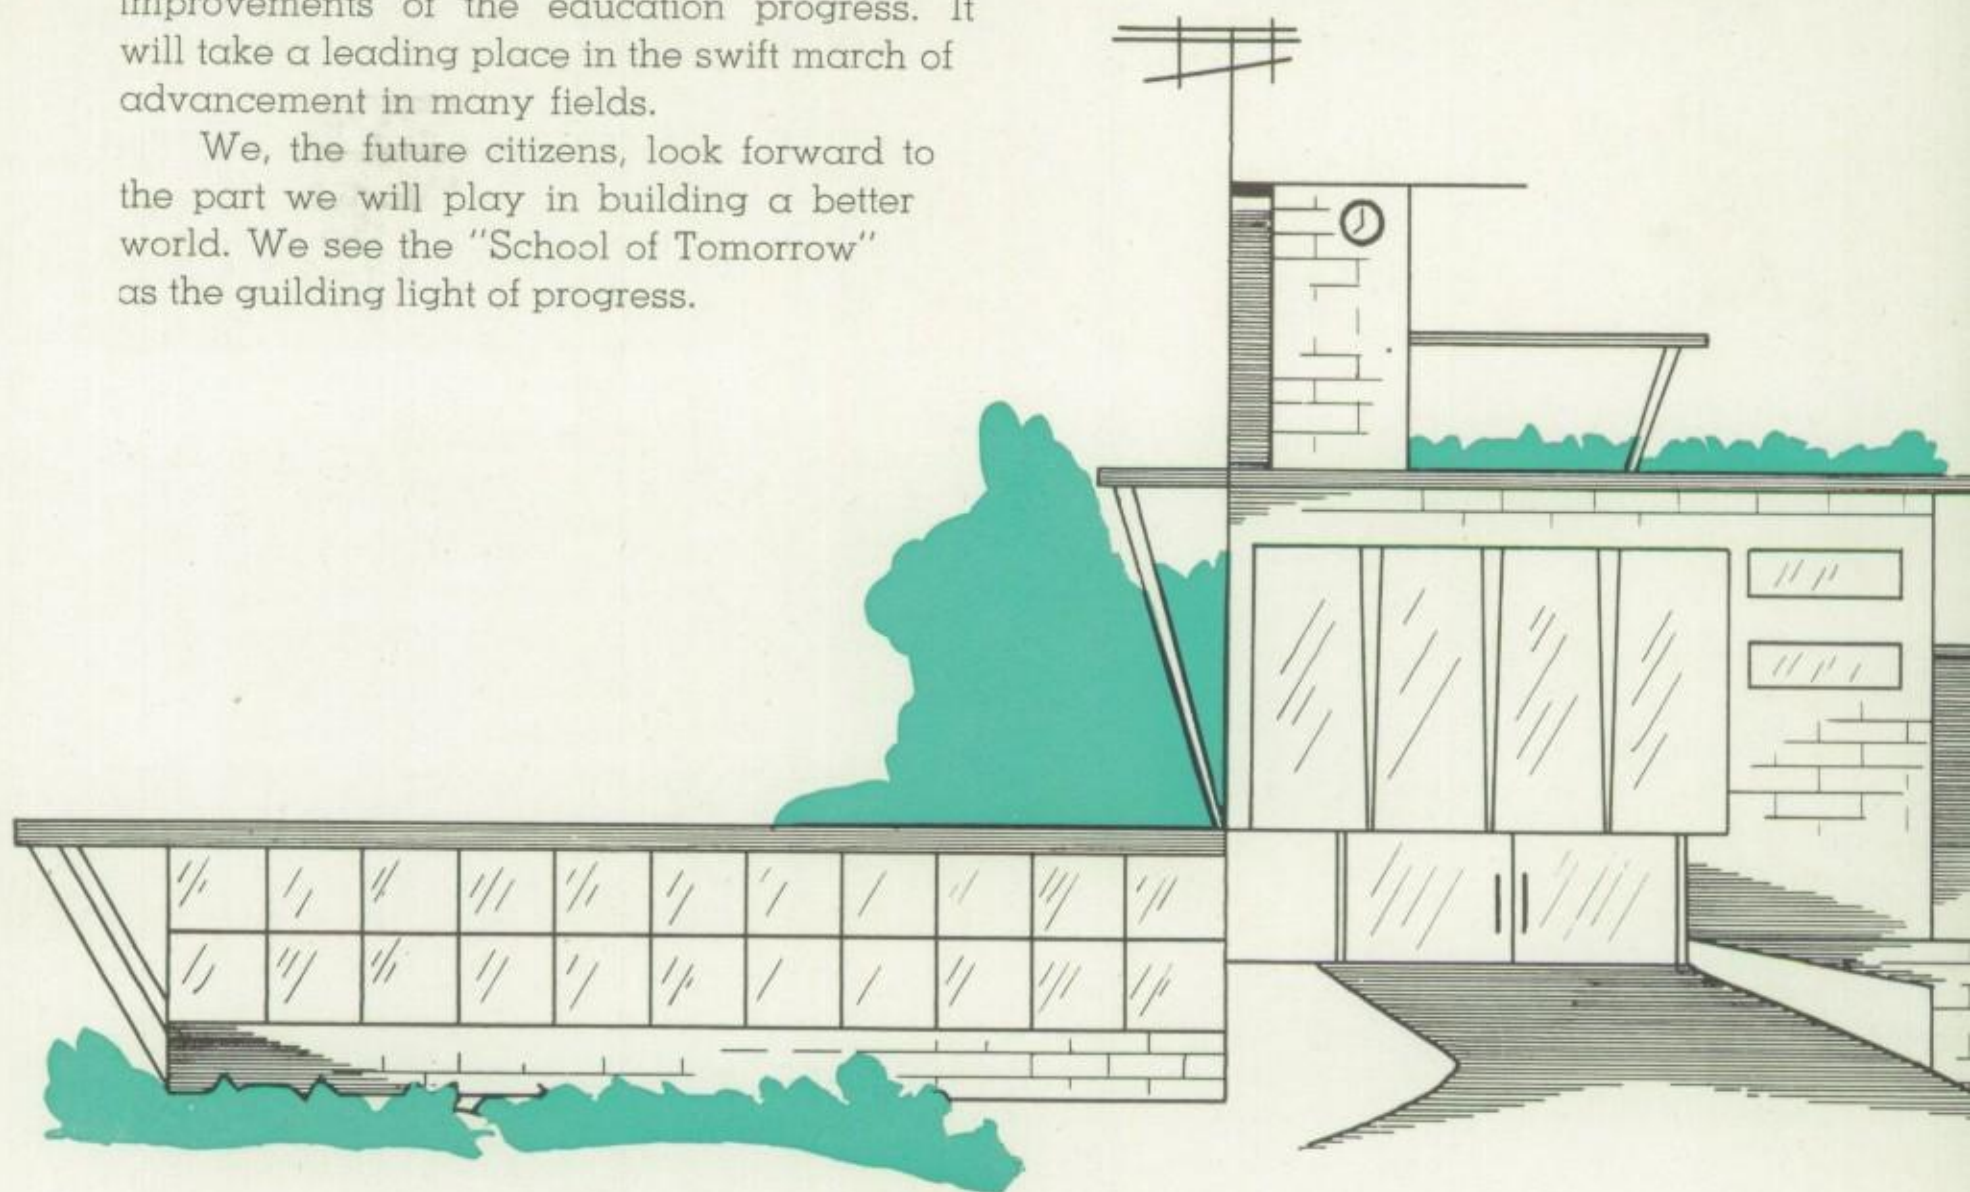

In the 1956 Bervalon we, the high school students of today, have voiced our hopes for an even better "School of Tomorrow."

What will the "School of Tomorrow" be like? At first thought we see a new, modern school building, the product of an architect's dream. It is a building designed to make school more enjoyable both to students and to teachers. There are special classes for children who need special attention. The classes are small and teachers are able to give more attention to each student. This will make education more interesting and a larger percentage of our population will finish high school. This will be an advantage to the individual for he will find an interest in more of the things life has to offer. As a nation, we will be stronger; a better understanding of our government will lead to better citizenship. More time will be devoted to learning about the world and its people, their customs, ideas, and ways of life. This will bring greater hope for true world peace, the greatest blessing the world could have.

Later in life, if we visit a school, will it seem completely changed? No — we'll meet the same happy, eager teen-age people. The excitement in the air before the first football game of the season will be unchanged. They will be following a schedule much the same as ours.

The "School of Tomorrow" will combine most of today's ideas and traditions with the improvements of the education progress. It will take a leading place in the swift march of advancement in many fields.

We, the future citizens, look forward to the part we will play in building a better world. We see the "School of Tomorrow" as the guiding light of progress.

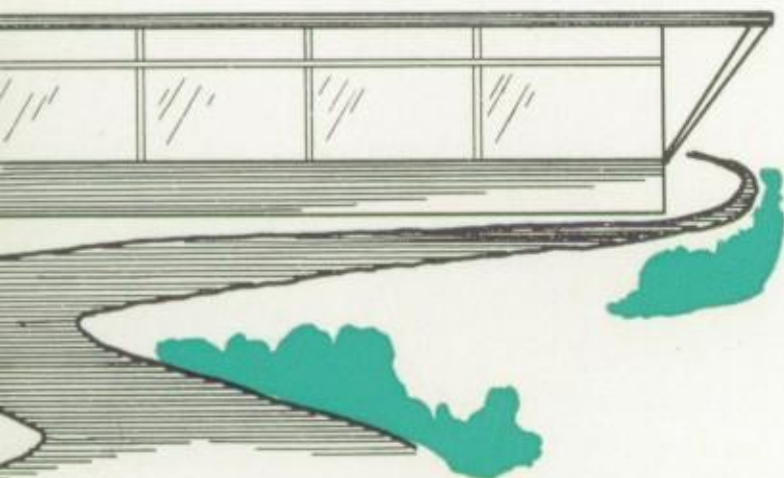

Carolyn Leonard, Faye Sweitzer

EDITORS' MESSAGE

On the pages of this book we, the seniors of "56," have tried to present to you the "story of the year." This is the story of our classes and the teachers who guide us toward our goal of graduation. It is a summary of our activities and the story of our friends, who made school so enjoyable for us. As days go by, the educators are finding out that there is more to school than just studying books. We must live our lives and profit by our mistakes. We learn our social graces not by reading books but by learning to live well with our fellowmen.

As work on this book progressed, we appreciated the wonderful cooperation of our staff. At times when we were behind and it seemed impossible to meet our deadlines, there was always someone there, willing and eager to help us. We thank all the members of our Bervalon staff for the wonderful job they did with the write-ups, getting ads and subscriptions, and helping with the photography. It was greatly appreciated. To our very patient and helpful advisors, Mr. Lehman and Mr. Esch, our sincere thanks.

WE DEDICATE

The 1956 Bervalon

It is the privilege of the class of 1956 to dedicate this edition of the Bervalon to Mr. Wilfred Smith. Mr. Smith has been teaching in our school for 15 years. We first met Mr. Smith when we came to the high school building as sixth graders. He was a kind friend who helped us as we became familiar with our new surroundings. His classes were interesting and were often enlivened by his wonderful sense of humor. Outside class we found him always willing to listen to our problems and help us in every way. Through the year Mr. Smith helped us prepare for our future school years.

Mr. Smith finds great pleasure in the great outdoors. He likes to hunt and fish and enjoys each in its season. Another hobby he likes is woodworking and in his spare time he goes to work with saw and hammer.

It seems only a short time since Mr. Smith was our sixth grade teacher. We will always remember him as a friend and a valuable influence on our character.

ADMINISTRATION

BOARD OF EDUCATION

Since the early thirties, when it was first organized, the board of education has done an outstanding job. They are the key of success to our school system. They are responsible for managing all of our school's financial needs. Any questions about the rules of the school are handled by them. They hold their meeting on the second Thursday of each month in order to keep our school system running properly. The men who lead our township and borough boards are the officers of the joint board. They are:

President	Karl Hay
Vice President	Robert Keidel
Secretary	Clyde Dickey
Treasurer	Maurice Brant

The class of 1956 wishes to extend a very sincere thank you for their help and answers to our problems. Through their efforts we have had a most memorable graduating year.

UPPER GROUP, Seated: Clarence G. Carver, Maurice Brant, William Deist, Edward S. Hartman, Clarence Harmon, Harold Deeter, Gilbert McQuade, Karl Hay, Norman Handwerk. Standing: James M. Cassel, Clyde E. Dickey.

LOWER GROUP, Seated: Walter T. Walker, R. Earl Dickey, Harry D. Meyers, Donald T. Heffley. Standing: Harry Smith, Ralph Miller, Robert Keidel, Charles Shipley, Jubal E. Werner, G. H. Wetmiller.

Miss Annette Horning, Mrs. Hazel Ackerman, Mrs. Eleanor Darr

OUR SUPERVISING PRINCIPAL

You as graduates will live in the world of tomorrow; you will help determine "the school of tomorrow." In a day when many and varied opinions are advanced as to what the school of today should or should not be, you are becoming adult citizens at a time when maybe your generation will more closely unite on what the school of tomorrow *shall* be.

Our schools are close to our people and they reflect the thinking of our people in the programs offered to our youth. As our nation changes, our schools change. It is for you to support our schools in those ways that may best serve the children of the future.

James M. Cassel

OUR PRINCIPAL

We need to ponder the place of our schools in the world of tomorrow. No one can predict, with any assurance of accuracy, what our school of the future will be like or what changes will take place in educational theory. However, we may be able to analyze certain conditions which, we are convinced, will influence any future endeavors.

The schools are a reflection of the concern and judgment of the citizens of that school area. Therefore, since we are trying to evaluate the school of tomorrow, we will need to consider the citizen of that era. That person is easily located since he is the graduate of our educational program of today.

You, as graduates, will have to assume much of the responsibility for the school of tomorrow because you can be a direct influence of the future. We hope you will recognize your responsibilities as a citizen and live accordingly.

GRADE SCHOOL FACULTY

Most of the students who graduate from high school owe a lot of credit to the grade school and its teachers. They are the teachers that gave us our real start in education and in life. They taught us to read our first words out of a book and they taught us how to write. Our first arithmetic and music was also learned there. Without these essentials in learning, we could not have continued our higher education.

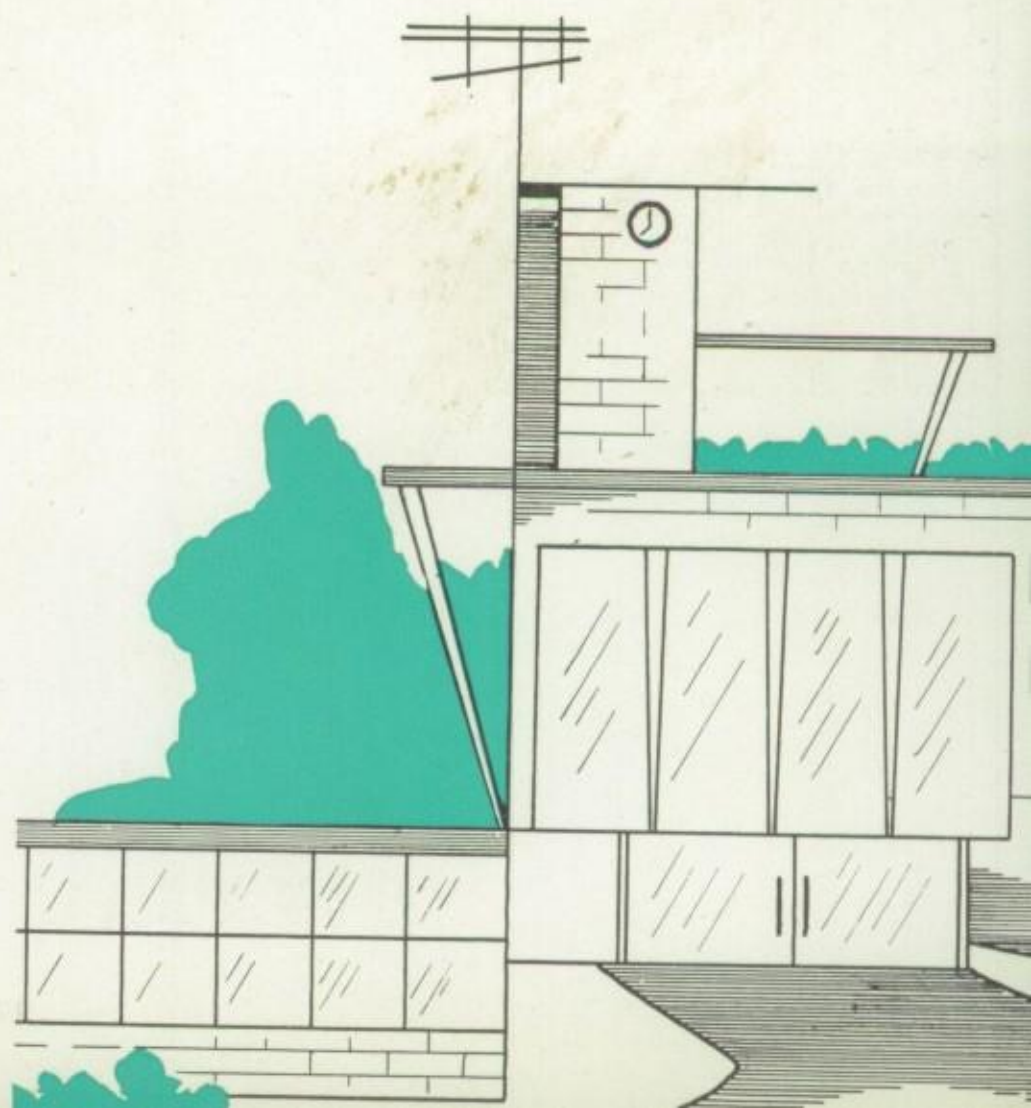

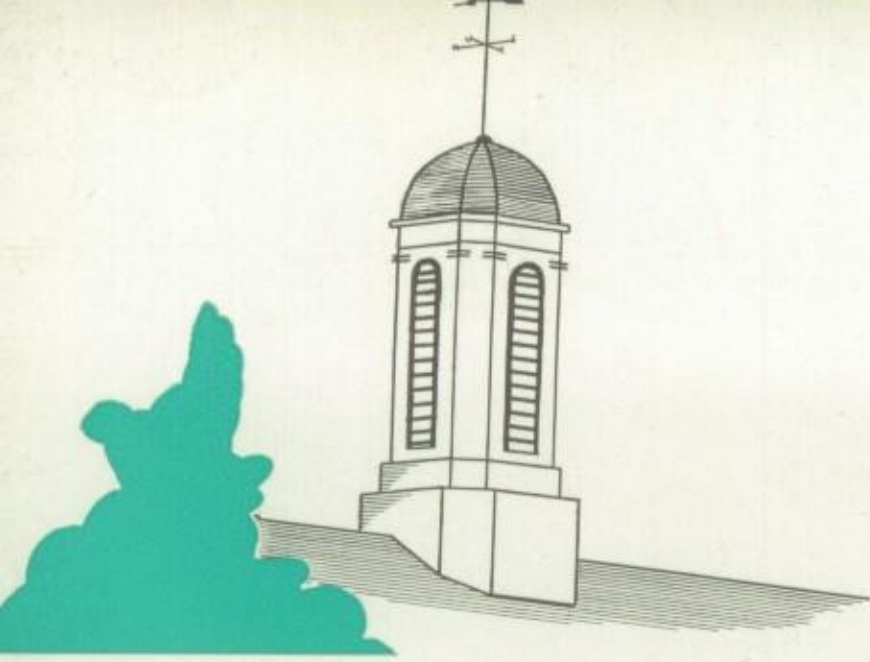

Our elementary grade school contains youngsters from grades one to five. They are under the guidance of the elementary grade school principal, Mr. George Dively. During the school year they participate in many of the high school activities. One of the high-

lights of the grade school year is their annual operetta. A matinee performance is given in the high school and an evening performance to the parents and friends. They also attend the matinee of our junior and senior plays. When spring comes they all take a part in the May Day program. The fourth and fifth grades have a chorus which takes a part in the county music festival every year. These events pass and soon these youngsters find themselves in high school, ready to graduate as we are. We, the class of 1956, wish to thank the grade school faculty for those first memorable years of our education which we received from them. They will never be forgotten.

HELPING HANDS

STUDENTS

They Lead

Left to Right: Lawrence Will, vice-president; Donald Cook, treasurer; Sara Jane Leecy, secretary; Donald Smith, president.

Four years ago we entered our freshman year of high school. For the first time we had our own class officers and our first class party, a hayride. In the spring we were represented by four of our classmates in the queen's court on May Day.

The next thing we knew we were sophomores. Again we elected our class officers with Howard Newcomer as president. We had a rollicking time at our class party, an old-fashioned square dance. The boys represented our class in football and basketball. The highlight of this year was the day we ordered our class rings. At last it seemed like we might someday be seniors.

Our junior year brought us one step higher. Early in November our long-awaited class rings came. Such proud people you never saw. A class meeting was called to elect our officers. Read Roberts, president; John Long, vice-president; Irene Hoover, secretary, and Carolyn Leonard, treasurer, worked together on many different projects during the year. One project in which the whole class participated was selling magazine subscriptions to raise money for the prom fund. Our school was represented at the State F.H.A. by Patricia Deeter, Nancy La-

Bute, and Faye Sweitzer. Edison Paul won first prize in a dairying contest and, along with the F.F.A. advisor, Mr. Mazer, traveled to Iowa. This year Irene Hoover and Gloria Keller were the attendants for May Day. Howard Newcomer and Robert Zimmerman were their escorts. In May the juniors helped plan for the prom which was the first extended prom ever held in our school.

Here it is—1956! We, the class of 1956, have something no one can take away from us—our memories. As we returned to school for the last time, many new duties awaited us. Secretaries were assigned to the faculty providing us with training for work after graduation. Many of the boys were members of our athletic teams, and we had many classmates in band and orchestra. We had three cheerleaders in our class. In January, Patricia Naughton won the local Maple Princess contest and represented us in the Maple Queen Contest in Johnstown on February 22.

Finally, May 21, 1956 was the day of our commencement. Our class was together for the last time and we parted, each with his own hopes for the future.

SENIOR DAYS

Their leadership

Left to Right: John Porter, president; James Whipkey, vice-president; Carol Cochran, secretary; Kathryn Ludy, treasurer.

"It hardly seems possible that we're juniors already!" This was the thought that came to the mind of each junior last fall. Two years ago as freshmen they elected Donald Bailey as class president. They enjoyed their first class party, a square dance, and selected two attendants and two escorts to represent them on May Day.

At the beginning of their second year of high school they elected Larry Cooper as class president. This year they gradually began to take part in more extra-curricular activities such as football, basketball, and cheerleading. A highlight of the year was the day they were measured for their class rings.

When the juniors came back to school in August they were glad to know this year would be their final step towards their goal. It would be only one more year until they would be seniors. They elected their class officers with John Porter as president. The routine of study and classes was broken in November, when they held their class party — a dance in the gym.

Another thrilling moment for the juniors was the day their class rings arrived. It seemed like such a short time since they had been ordered.

The sponsors of the class are two newcomers to B.B.J.H.S., Mr. Bressler and Mr. Esch. They

were very helpful during the magazine sale. The hard-earned money will help pay the expenses of the prom. Already the juniors were looking forward to the prom, which will be the first formal dance for many of them.

Another big event was presenting the class play, which was directed by Mrs. Holland. Everyone helped by serving on the various committees.

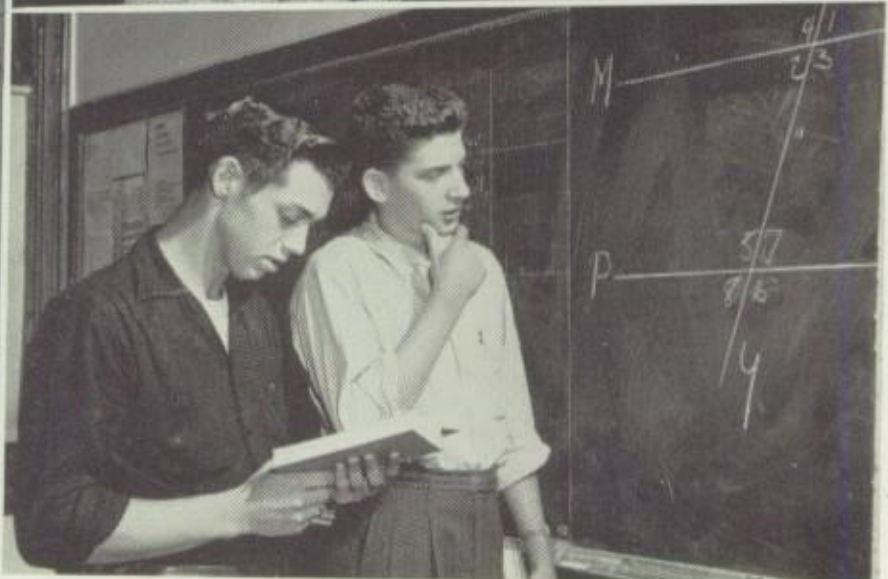

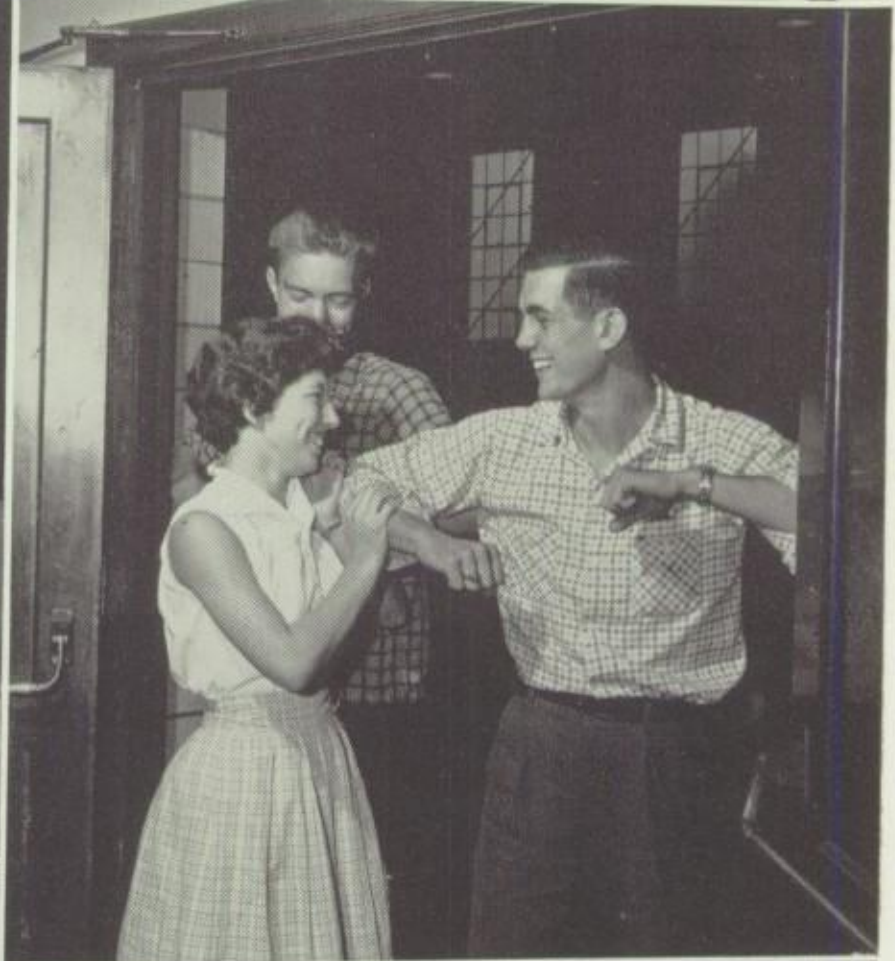

The boys of the class were well represented in football, basketball, and baseball. The girls were represented by five *high-stepping* majorettes and three cheerleaders. Many of the juniors played in band and orchestra, and sang in mixed chorus.

In the spring the juniors chose two attendants and two escorts to represent them in the queen's court on May Day.

As the year ended, the juniors were already looking ahead to their senior year. Along with the fun and social aspects of school, there will be many responsibilities. They will be finishing their high school education and preparing for the future.

We, the seniors of 1956, hope they will enjoy their senior year as much as we have enjoyed ours. Our best wishes to the juniors for a successful senior year.

We journeyed through...

Left to right: James Raupach, vice-president; Karl Imgrund, president; Sara Croner, treasurer; Jean Leydig, secretary

As they entered high school as freshmen, they selected their class officers with Ray Boyer as the class president. Their class party was a square dance held in the gym. During the month of May they chose two attendants and escorts to represent the class in May Day.

As they enter their second year of high school, they greeted new faces and had new responsibilities. The class elected Karl Imgrund as president. October eighteenth the Sophomores held their annual party, an old-fashioned square dance.

Many of the boys of the class participated in football and basketball, and many of our junior varsity cheerleaders hail from the sophomore class. Many members of the class were in band and orchestra. Mixed

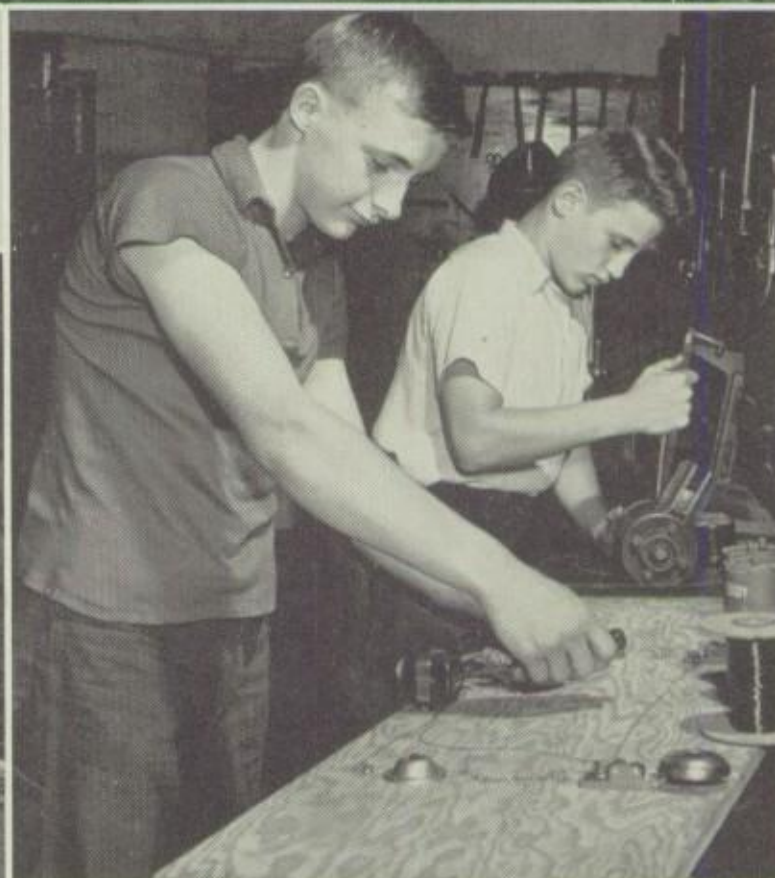

Chorus also claimed many members of the class.

As the year progressed they were called to the gym to be measured for their class rings. These rings will be cherished by each person when they receive them in their junior year.

As the last day of school arrives, the members of the class will say good-by and thank you for all your help, to the sponsors of the class — Mr. Bush and Mrs. Baltzer.

They will be looking forward to coming back to school next year as members of the junior class. Along with being juniors there will be many more responsibilities for their class and classmates. Good luck sophomores for your future years in high school.

Our first year...

Boy, this freshman class sure keeps the whole school moving. This active group participated in many of the various activities of the school.

Some of our band and orchestra members are freshmen. The boys in the class enjoy football and basketball and the girls participate in cheerleading.

Last year, when the class was in eighth grade, two students were chosen for outstanding achievements. Kay Sarver and Dale Leydig were the recipients of the eighth grade awards.

On October twentieth the sounds "swing your partner, doosey do" echoed from the

high school gym. This was the first class party for the freshmen. It will be remembered by all in the years to come.

To lead the class and preside over the class meetings Darriel Gregory was elected President and Dale Leydig was Vice-President; Kay Sarver, Secretary; and the Treasurer was Donna Schrock.

In the spring two attendants were selected to honor the class in the May Day pageant. Two boys out of the class were their escorts.

In the future, this class can do as we -- look back to their freshman year in high school.

BERVALON

The Bervalon is the school yearbook which is put out by the seniors each year. The co-editors made the plans for the book, while the photographers planned where the pictures were to be taken. The business staff was required to get signatures to help raise money. Each member of the staff worked together and made sure every person in the school had their picture in the Bervalon at least once. With the cooperation of everyone the Bervalon was finally on its way to be published. The theme and color of the 1956 Bervalon were kept a secret until the book was distributed. The staff: Co-editors, Faye Sweitzer, Carolyn Leonard; Senior Editors, Trudy Griffith, Anna Belle Beachley; Class Editors, Evelyn Weidner, Doris Lichty; Sports Editor, Edison Paul; Activity Editors, Patricia Naughton, Mary Jane Smith, Carol Leister; Typists, Gloria Keller, Rachael Miller, Evelyn Foust. Delores Jerkes, Ethel Felton; Photographers, Sara Jane Leecy, Fae Platt, Joe Zorn; Business Manager, Teddy Johnson; Ads, Sally Schrock, Neil Donner; Subscription Manager, Elaine Smith; Artist, Ben Scheller; Advisors, Mr. Lehman, Mr. Esch.

"I found it," says Neil.

MOUNTAINEER

The journalism class and the students interested in writing, with the guidance of Mrs. Evelyn Baltzer, were responsible for publishing the Mountaineer. It is the duty of the staff to solicit news from the faculty, various clubs, athletic organizations, and other school news of value. Besides school news each issue contains an editorial of vital interest. The staff not only gathers news but also learns to simplify the material and to write it in journalistic form. The purpose of the paper is to give the students a chance to write, and to inform the community of the students' activities. Members of the staff are: Editor-in-chief, Faye Marker; Associate Editors, Kathryn Ludy, Wanda Woida; Sports Editors, Glenden Weidner, James Raupach; Photographer, John Porter; Staff Members: Delores Beal, Linda Beal, Louise Coughenour, Sara Croner, Mary Alyce Crowe, Betty June Dively, Helen Glessner, Carol Heller, Shelby Johnston, Evelyn Lynn Schlosnagle, Doris Strandquest, Donald Cook, Lawrence Will, Albert Hoover, Dorothy Hay, Ronald Horning, Rene Lehman, Robert Landis, Sandra Ludy, Harry Fisher. TWIRLING CLUB

The twirling club meets Wednesday activity period. When the weather permits they meet outside, during the winter they meet in back of the auditorium. The girls are divided into groups, headed by the majorettes. They practice to obtain perfect twirling habits. The girls participate in try-outs each year; this year there are no new majorettes to be selected but, five of the girls were selected as majorettes for the Drum and Bugle Corp. This activity is under the direction of Mr. Bush.

GARDEN CLUB

Mr. Nicklow, a newcomer to B.B.J.H.S. serves as sponser to this new club. The members are from grades 7, 8, 9, and 10. The club took as a project the selling of Tri-State Seeds under the sponsorship of the F.F.A. The money earned during this project and others will be used for social purposes at the end of the year. The officers of the club are: President, David Smith; Vice-President, Verl Bittner; and Secretary-Treasurer, James Scurfield.

Worlds of Adventure

LIBRARY CLUB

Library Club is a club made up of students who find great pleasure in reading. The Club made very interesting bulletin boards in the library. During book week the members gave book markers to everyone who checked out a book. They prepared old and new books for the students to read. The Club was under the supervision of Mrs. Boyer. The officers were: President, Dolly Webb; Vice President, Joan Deist; Secretary-Treasurer, Nancy Faidley.

TEEN-AGE BOOK CLUB

The Teen-Age Book Club consists of boys who like to read. The purpose of this club was to make available teen-age pocket books for the school. The books were suitable for teen-agers. Sixteen different books were issued each month. This club is a non-profit group. The capable advisor of this organization was Mr. Pritz. The officers were: President, Larry Suhrie; Vice-President, Billy Walker; Secretary-Treasurer, Barry Hinson.

HALL PATROL

The Hall Patrol is a group of boys and girls from the senior class who volunteer to man different patrol posts, to direct traffic during the change of classes, and lessen the confusion in the halls. Larry Will was chosen captain of the squad. It was his duty to help the members cope with the difficulties they met with. Hall Patrol members are permitted to leave their classes on the first bell so they can get to their posts before students crowd the halls.

SCIENCE CLUB

An organization that was newly formed this year at B.B.J.H.S. is the Science Club. It is comprised of boys in grades from nine to twelve. The club is under the direction of Mr. Paul Urbain, a newcomer to the Berlin faculty. The boys saw films dealing with science and worked with the various elements and compounds. The experience this club provides will help them when they study chemistry and physics. The officers are: President, James Ferguson; Vice President, Carl Miller; Secretary, John Novak.

BUSINESS CLUB

This is the first year for the Business Club in B.B.J.H.S. Under the supervision of Mr. Bressler, the Business Club has taken many field trips. They have had several speakers throughout the year, speaking on items of interest to business students. Read Roberts was chosen as president. Other officers elected are: Donna Lee Hoyle, vice president; Janet Raupach, secretary; Barbara Zorn, treasurer. This club meets Wednesday activity period. They have had several parties during the year.

PROJECTIONIST CLUB

This is one of the older clubs of our school. Under the direction of Mr. Speicher, the members of the club are taught how to operate movie equipment. This ambitious bunch of guys put their skill to work by showing classroom films and movies at noontime, in the auditorium. The boys chose Larry Will as their president. He is assisted by Gene Shonko as vice president. Secretary of the club is Robert Landis, and Ronald Horning is the treasurer. We salute the boys of the Projectionist Club.

JUNIOR Y-TEENS

Junior Y-Teens is a club of 42 girls from the seventh and eighth grades. The club had many money making projects, such as selling candy and dish cloths, so they could have a party at the end of the year. They went to various places such as the Coke plant, potato chip plant, and radio station. The organization was supervised by Mrs. Holland. The officers were: President, Mary Ringler; Vice-President, Nancy Hummel; Secretary, Judy Meyers; Treasurer, Joyce Smith.

SENIOR Y-TEENS

Senior Y-Teens is an organization made up of girls from the tenth, eleventh, and twelfth grades, and is sponsored by Miss Altfather. Early in the year new members were initiated in the high school. Each girl was responsible for selling chips, candy, and ice cream at noon and selling hot dogs at the basketball games. At Christmas the girls had a Mistletoe Ball in the gym. The officers were: President, Marilyn Hay; Vice-President, Deanna Donner; Secretary, Maxine Sicheri; Treasurer, Donna Lee Hoyle.

Spirit of Youth

SPORTS CLUB

The sports club met every Wednesday with their sponsor, Coach Lichvar. These seventh and eighth grade boys learned the rules of basketball, football, and other games as well as learning the requirements necessary to be a good sport. Nothing is fun without some competition. To give that spark, the boys were divided into teams thus putting to practice the fundamentals learned. It is in this group of active boys, we see our potential star athletes of tomorrow.

G. A. A.

The Girl's Athletic Association is made up of girls in grades nine through twelve, who are interested in sports. The group is divided into teams for each sport, and a tournament is held to select the winner. The club had a point system so that each girl could compete for an award, which was presented at a spring banquet. The officers are: President, Jean Walters; Vice President, Carolyn Krepelka; Secretary, Dorothy Speicher; Treasurer, Deanna Donner; Historian, Evelyn Foust.

ARCHERY CLUB

The Archery Club was formed a few weeks ago. Their advisor, Mr. Gerber, is trying to promote greater interest in hunting with a bow and arrow. These boys meet Wednesday activity period. During the winter they meet in the basement of the school, and when the weather permits they meet on the baseball field for target practice. The officers of the club are as follows: President, Ronald Croner; Vice-President, James Pugh; Secretary, Homer Kreinbrook; Treasurer, Robert Suder.

RIFLE CLUB

The Rifle Club consists of junior and senior boys who participate in shooting matches. The fellows are members of the National Rifle Association. Mr. Suder, their worthy sponsor, teaches them the correct handling of guns, and they strive for shooting accuracy. The boys meet Friday activity period on the rifle range. The boys chose Donald Lynch as their president. The other officers are Lynn Watkins, Vice-President; Rene Lehman, Secretary; Luke Leister, Treasurer.

VARSITY B

Basketball and football players in grades from nine to twelve make up the Varsity B. The boys meet every week with their sponsor Coach Lichvar. The club endeavors to create spirit and loyalty among its members and boosts athletic activities. The boys paid dues of ten cents a month, which was appropriated for a trophy to be given to a senior for all-around sportsmanship. Read Roberts was elected president and Don Smith was chosen secretary-treasurer.

CHICO

Chico is a club made up of girls from senior high school who have grades of no lower than a C average. The girls sold candy at noon and checked coats at basketball games to make money for the Chico Dinner Dance. In February the girls sponsored a Miss Basketball Sweetheart Dance in which each homeroom in the ninth, tenth, eleventh, and twelfth grades chose a princess. JUNIOR F. H. A.

This club is composed of seventh and eighth grades with Mrs. Menhorn and Mrs. Glessner co-sponsors. The members of the club have many projects this year. Some of these projects were, helping the State Scholarship Fund to send a worthy girl to college to study homemaking, fixing a basket for a needy family, and for Christmas they made favors for the Meyersdale Hospital. The club also set up a printed program for the year, with themes for each month taken from the state program of work. They held one social and business meeting a month, also they heard outside speakers speaking on Home Economics. The girls are planning to have a Mother and Daughter Tea in the spring of the year. They are learning facts to make them better homemakers in their future years. The Better Breakfast Project and Self-Improvement, will certainly help them. The girls have chosen Chapter Mothers to help them along with their work, these mothers are Mrs. Harry Smith and Mrs. David Meyers. The club officers are: President, Joyce Smith; Vice President, Mary Ludy; Secretary, Carla Miller; Treasurer, Nancy Platt; Historian, June Krause.

F. H. A.

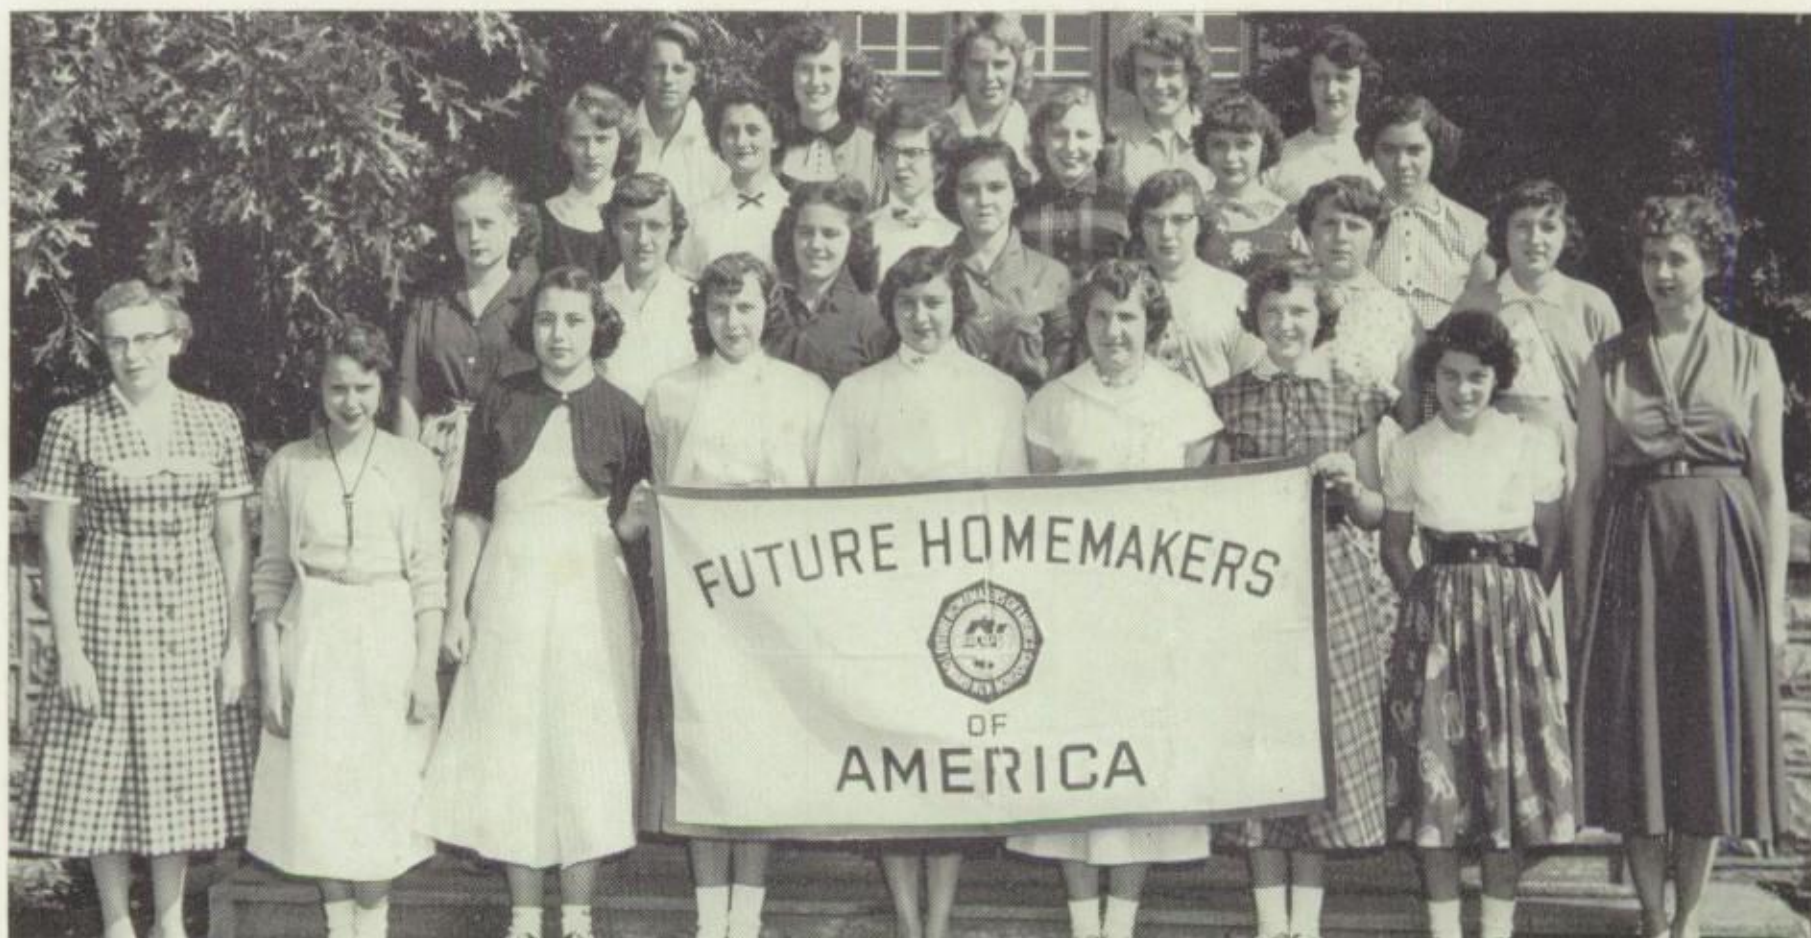

Under the leadership of Patty Deeter, President, the Future Homemakers of America had another successful year. Phyllis Shroyer was elected Vice-President; Madeline Suttmilller, Secretary; and Dorothy Suhrie, Treasurer. Mrs. Westley Deeter was the 1955-56 Chapter Mother and Elaine Keefer the Historian. "Building upon our foundation to strengthen our tomorrow" was the theme the girls followed. In the fall a program was set up for the year. Each girl served on a standing committee. In December the girls assembled a package for the County Home. At each meeting a guest speaker was honored and the roll call was answered by some unusual way such as naming a career related to Home Economics. Nancy LaBute brought honor to the group by representing them in the State F.H.A. Chorus. On October 22, 1955, many of the girls went to the Region B Convention, which was held at Chestnut Ridge High School. In the spring a dinner was held to honor the girls that got degrees. As you can see, these girls look "Toward New Horizons."

Presenting...

ORCHESTRA

Our orchestra is under the capable direction of Mr. William Schaefer. Through the years it has proved to be an asset to the school and a credit to students who played in it. This year they played for the Junior and Senior Class Plays. They also played for assemblies and gave a concert at the County Music Festival. In February, the orchestra was represented in Central-Western Orchestra by ten members. Of these ten, three were eligible for state orchestra. They were: Sara Croner, Donna Tattarelli, and Rachael Miller. They combined with the band for the spring concert and gave a very inspiring performance. Orchestras are becoming more and more popular again. We will always remember this year's fine orchestra.

Mr. William Schaefer

BAND

Left! Right! Left! Right! Early in the fall, these words had a familiar ring. Our blue and white band attended all of the football games and cheered the players on. Shortly after band reorganized, officers were elected to supervise the band and orchestra combined. They were: John Long, President; Evelyn Schaefer, Vice President; Harold Hay, Secretary-Treasurer. As winter passed we heard many of the students diligently practicing on their instruments for All-County band which proved to be a wonderful experience for the young musicians. The final, important climax for the year was the concert this spring. It proved the worthwhile effort of the members and the fact that our band is really one to be extremely proud of.

Mixed Chorus is composed of students from grade nine through twelve. The group is a success due to the efforts of Miss Betty Hay, the director. Early in the fall the group met and began practice for the Thanksgiving assembly. Then it was time to begin practicing Christmas carols to sing at our Christmas assembly program. It was nice to hear again the strains of "O Little Town of Bethlehem", "Joy to the World", and all the other traditional carols. In February Miss Hay began holding rehearsals for All County Chorus, which was held in Salisbury. Evelyn Weidner, Patricia Deeter, John Long, and Gilbert Sechler represented Berlin in Central-Western Chorus. The final performance of the Mixed Chorus was at the Spring Concert April 13, 1956. Another fine choral group was the Girl's Ensemble, a group of nine girls who sang at many school functions.

GLEE CLUB

Glee Club is composed of students who enjoy singing. They meet once a week in activity period, and join their voices in many different songs. The Glee Club has many new members this year. The officers are: Donald Lynch, president; Faye Gooden, vice-president; Paul Fochtman, secretary; James Woytek, treasurer.

Junior Theatre

JUNIOR CLASS PLAY

On April 29, 1955, our junior class came forth with the presentation of a very hilarious comedy, "No More Homework", which was very well received.

When Pamela Jones was elected student council president, never in her wildest dreams did she foresee having to make the thousand and one decisions required of a school principal. Should she abolish homework, as one friend helpfully suggests? Should she keep the school's star athlete out of the state basketball tournament? These were only two of the headaches which confronted Pam and her boy friend, "Buzz" Bailey, who unexpectedly found himself doubling as Vice-Principal and "home ec" teacher, with an omelet in one hand and a dress pattern in the other.

The janitor and the clean-up woman, kept the crowds in stitches with their antics which resulted in love. The play ended with the return of the principal. The school finally returned to normal.

In the Spotlight

SENIOR CLASS PLAY

On November 4, 1955, the Senior class presented the play entitled "One Foot in Heaven," by Hartzell Spence, dramatized from the novel by Hartzell Spence.

The play unfolds the story of the Spence family as revealed by Fraser Spence. The story starts when the Spence family; Reverend and Mrs. Spence, Eileen and Hartzell, arrived at Laketon, Iowa to find a run-down parsonage. After getting it in a liveable condition, Mrs. Spence devoted her time to the children of the church. Reverend Spence was getting along pretty well, although there were some people of the church that made some trouble. As usual, the preacher's family had to toe a narrow mark, neither heavenly nor earthly with one foot in heaven and one on earth. The family got most of their pay in eggs and potatoes. A bag of money, mostly coins, came irregularly. Reverend Spence made slow progress but finally he had a new church and parsonage built and was ready to accept a new charge.

Curtain Call

FACULTY PLAY

On February 13, 1956, the faculty presented their version of "Lavender and Old Lace" written by Rose Warner.

This is not a play that is wrapped in the creaky sentiments of yesteryear. But, it is a modern portrait of the present day life, with comedy, drama, and a heart warming tenderness.

A little kind hearted old lady held a tradition in a New England village. She never left her house and burned a light in her window every night.

Everything revolved around her and her best friend's niece, Ruth Thorne. When a young reporter arrived in the village he brought along excitement. When he and Ruth planned a marriage their "Lavender Lady" revealed her reasons for living such a strange life.

This play is an inspirational force that is uplifting and skilfully written. Faculty members of both our high school and grade school took part in presenting this play.

So Unforgettable

Miss Patricia Naughton

MAPLE PRINCESS

On February 22, 1956, pretty, dark-haired Patricia Naughton represented B.B.-J.H.S. at the Maple Queen Contest held at Cochran Junior High School in Johnstown. Competing with the Maple Princesses of 11 other schools, Pat placed second. This won her the title of Maid of Honor. The girls were judged on the basis of personality, beauty, appearance, talent, and ability to appear in public. For her talent number Pat gave an original tribute to the Statue of Liberty with quotations from Edmund Clarence Stedman and Emma Lazarus. She was costumed to represent the Statue of Liberty. We are proud of Pat for the honor she brought to our school. The committee in charge of the Maple Festival activities in our school was: Mr. Harold Bush, Miss Betty Hay, and Mrs. Betty Menhorn.

Fair as May

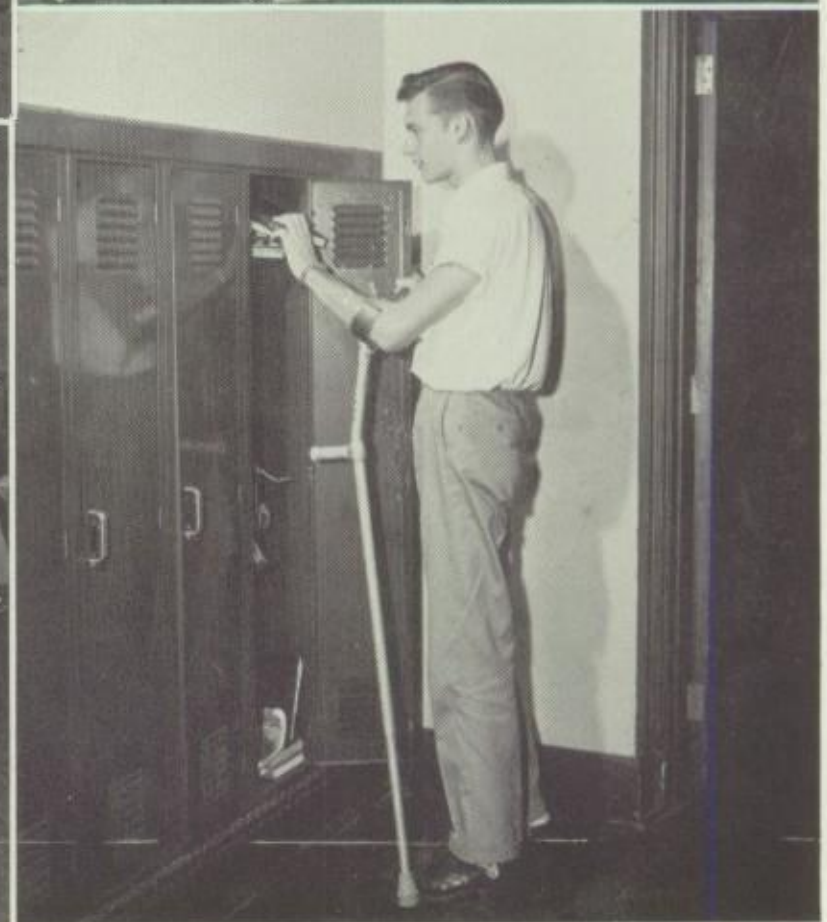

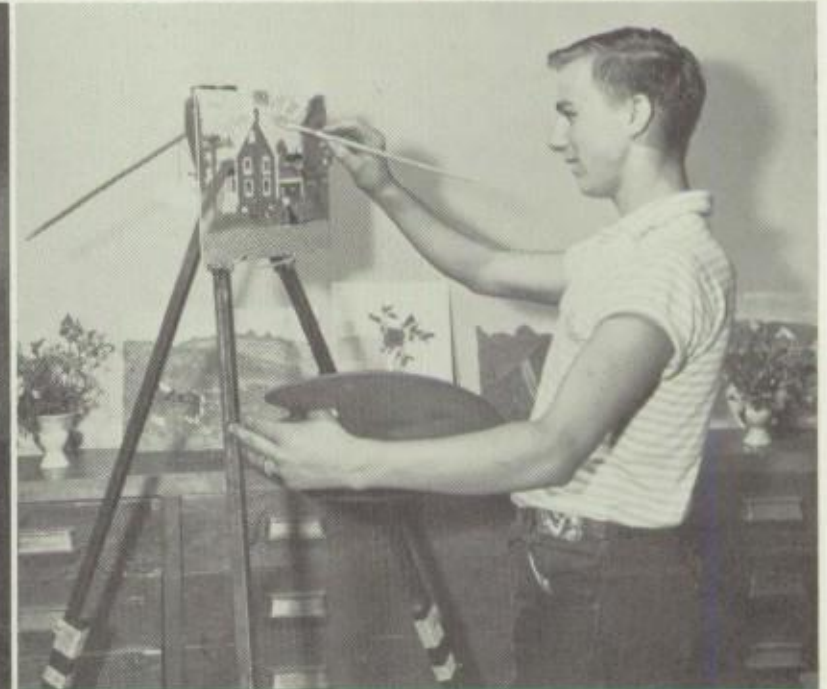

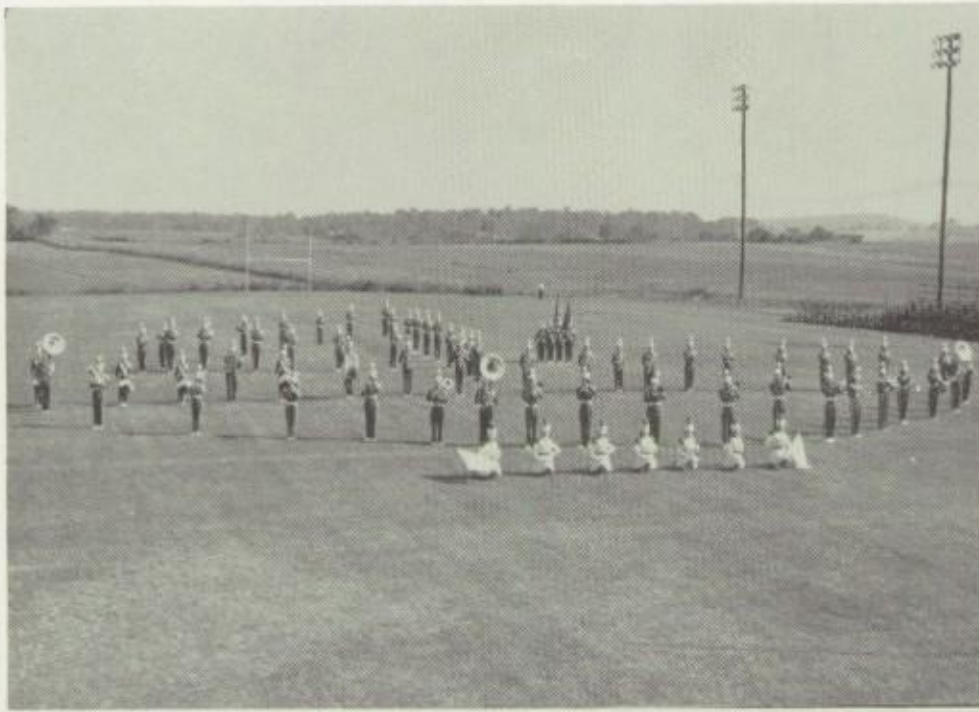

Miss Margaret Will

MAY QUEEN

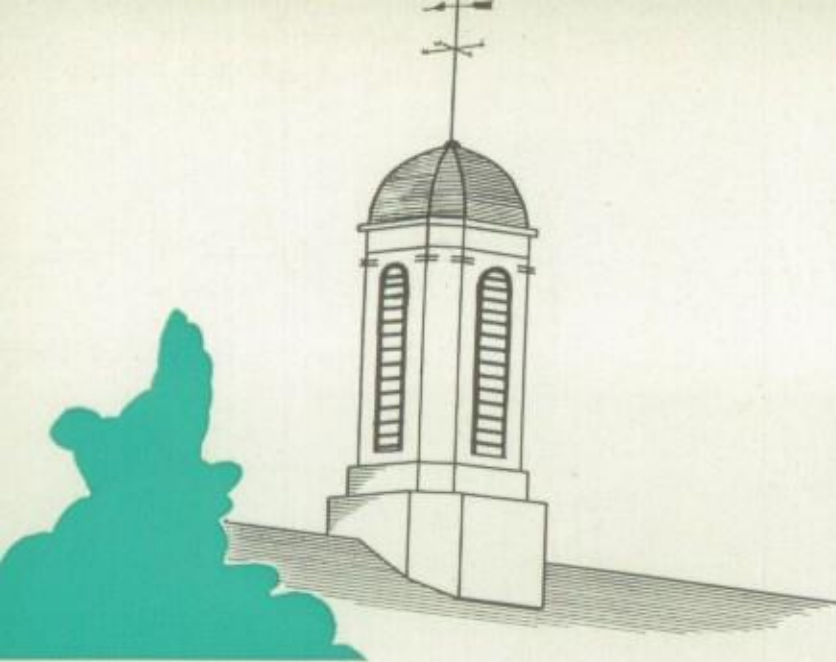

May Day was celebrated at our school on the afternoon of May 4, 1955. We were blessed with a beautiful day. The sun shone brightly and it was very warm. The festivities began with the processional of the queen and her court, with music provided by the band. As the student body and many parents and friends watched, Miss Margaret Will, a pretty red haired senior, was crowned by William Roberts, Senior Class president. Then the members of the court honored the queen with a dance. After this the theme, "Spring Fantasy," began to unfold as the students from grades one to twelve danced and sang their way through a pleasant afternoon. Finally May Day closed with the juniors and seniors winding the traditional may poles. The day was successful due to the efforts of the teachers and students who served on the various committees.

Hats off to our cheerleaders! We wish to show our appreciation to these girls for their vital interest in our school sports. Our varsity cheerleaders spend much time practicing and learning new yells for games. They lead our cheering section at football and basketball games. Beginning in seventh and eighth grade, girls interested in cheerleading practice for the time when they may participate in tryouts. This year we had a cheering squad composed of seventh and eighth graders. Some of these girls will become junior varsity cheerleaders soon. The junior varsity cheerleaders led the yells at all our junior varsity games. Along with practice, this is good training for the time when they are varsity cheerleaders.

VARSITY FOOTBALL

EVERETT — The Mountaineers opened their football season at home by playing host to Everett, a newcomer to the schedule. After a hard-fought battle Everett took a 20-7 victory. Our lone touchdown was scored by Newcomer

FORBES — The Forbes Jets came to Berlin a week later. Our Mounties put up a good fight, but the Jets were too powerful and took this one by a score of 20-0.

SOMERSET — The Eagles brought to Berlin one of the strongest teams in the county. Somerset proved to have the power, as in recent years, and went on to claim a 34-0 victory.

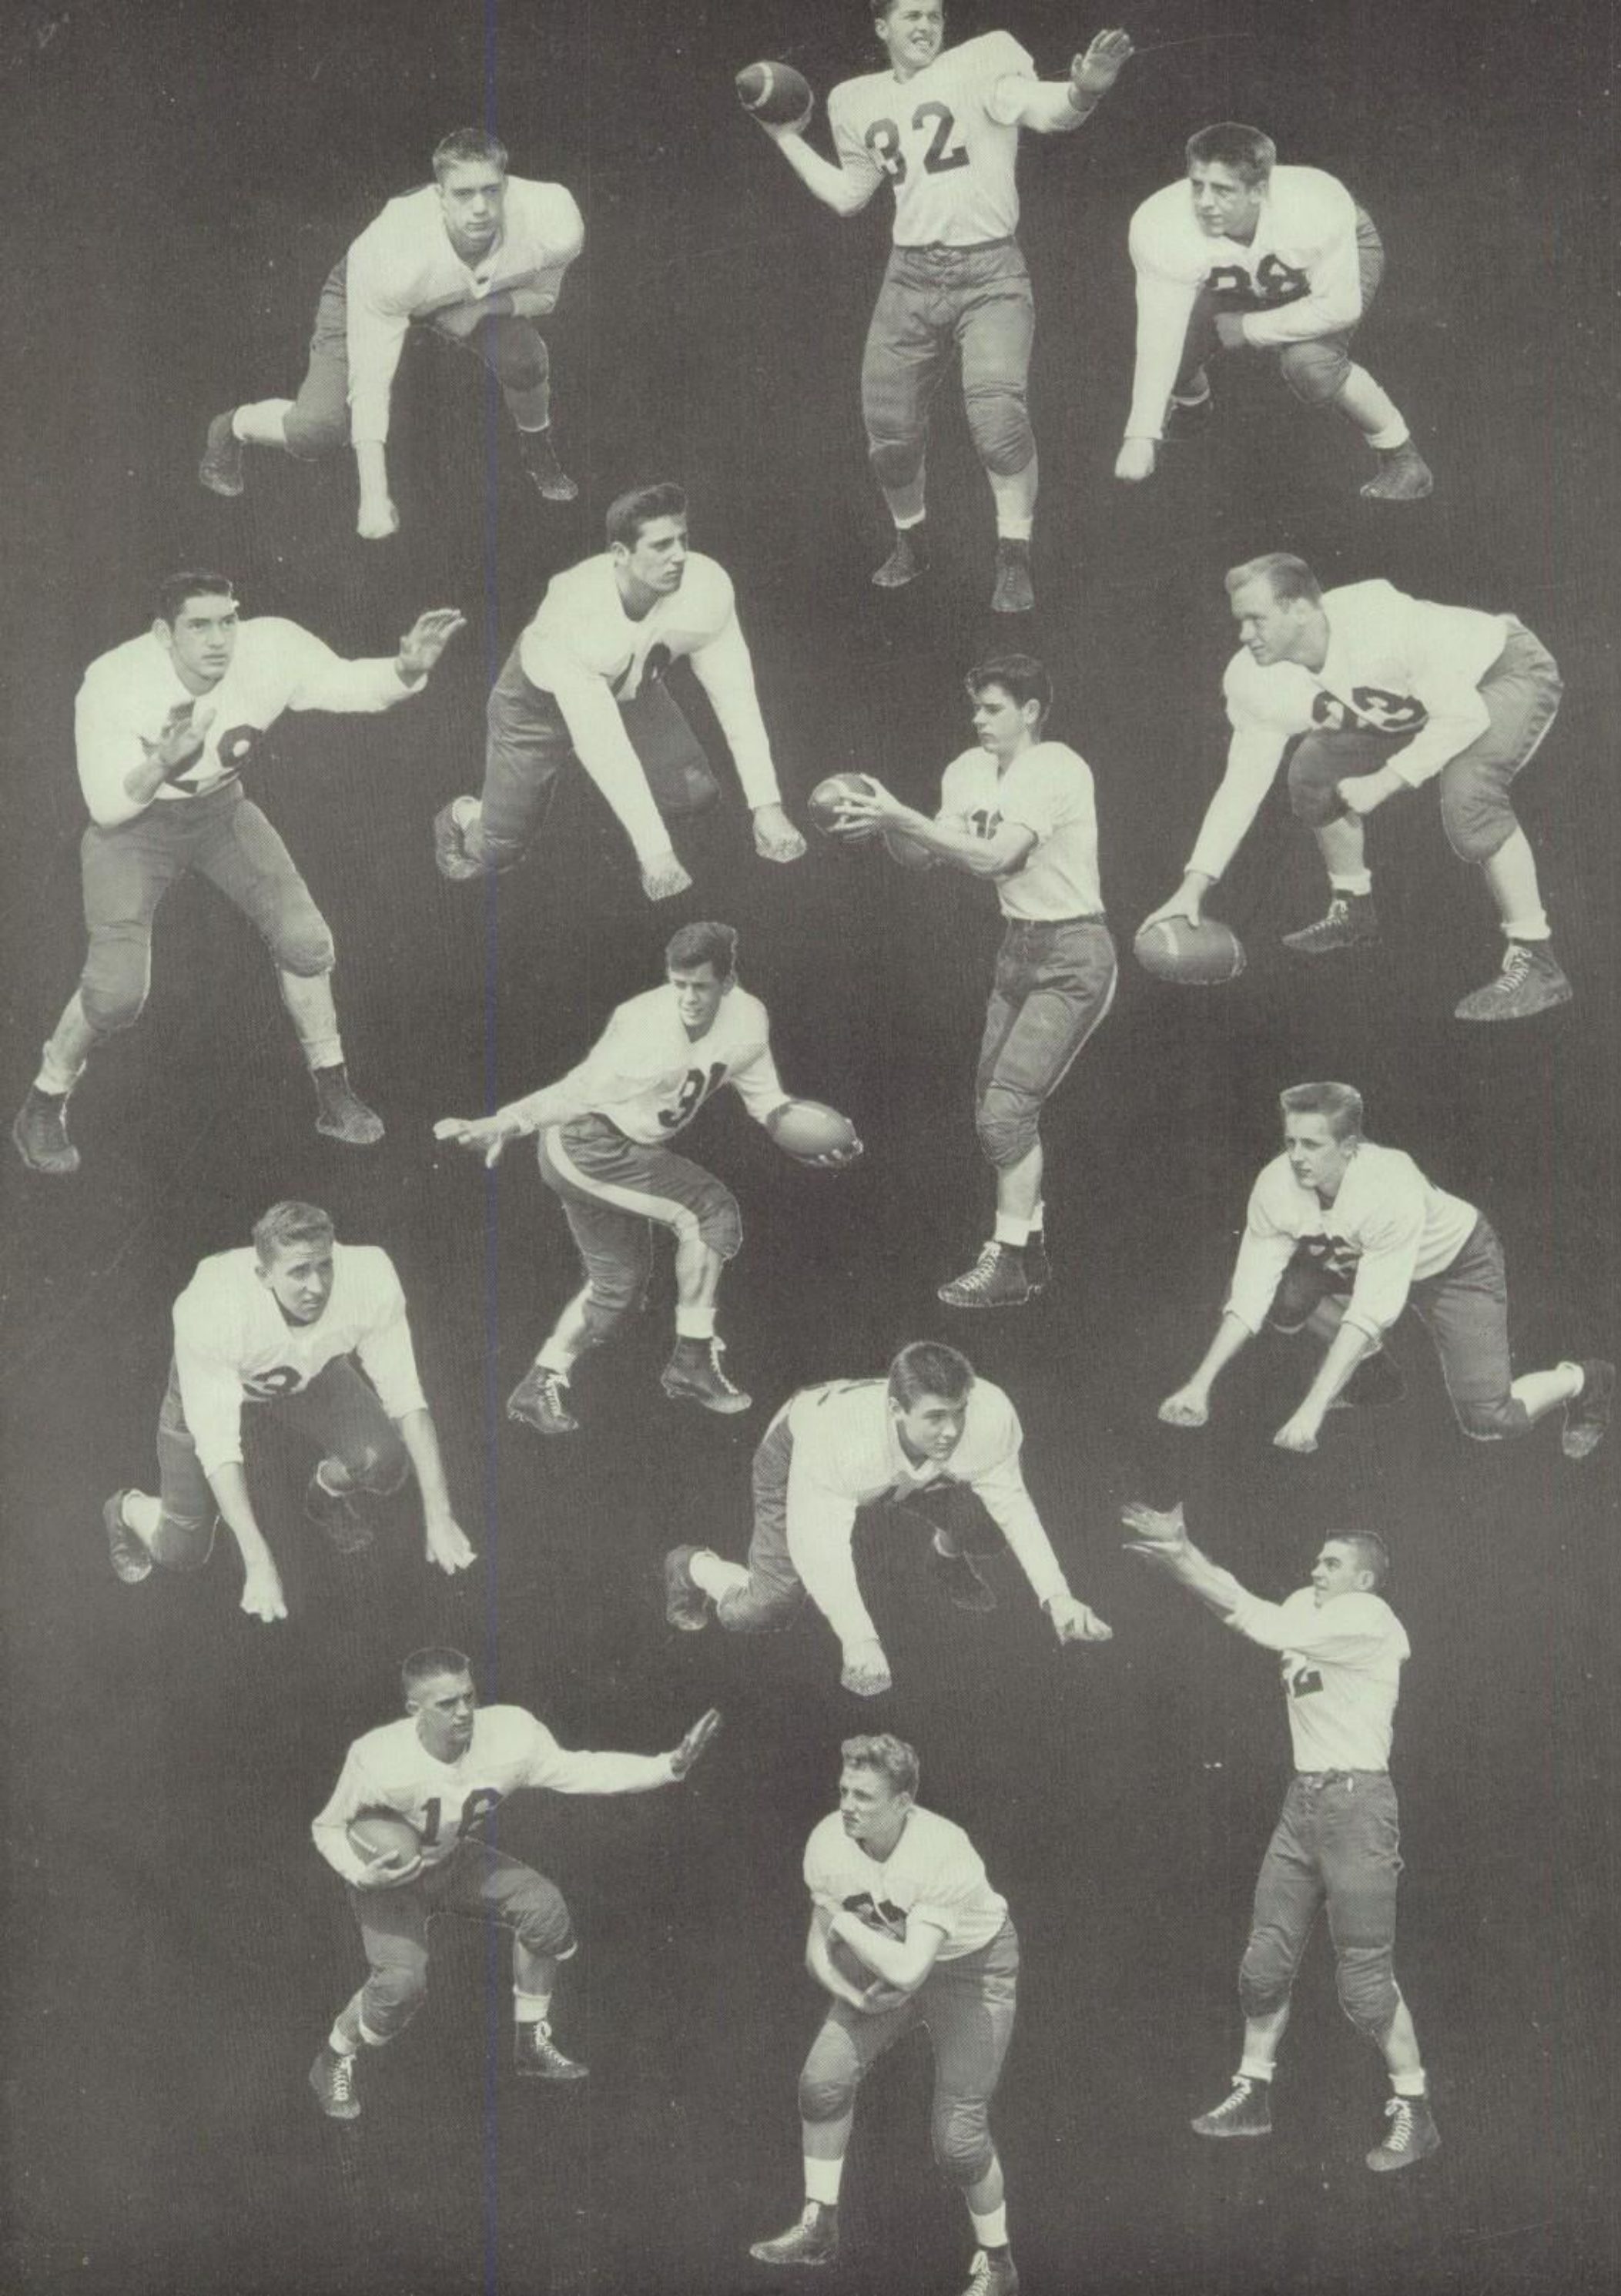

SHADE — the BBJHS eleven journeyed to Windber Stadium where they met the Panthers. After being held scoreless for two games. The mounties broke the ice by scoring twice. The final score was 39-13, Shade.

MEYERSDALE — A high-spirited Raider team came to Berlin looking for a victory. Berlin took an early lead and went on to win their lone victory 13-6. Roberts and Croner accounted for the Berlin touchdowns.

TURKEYFOOT VALLEY — This was another hard-fought and close game, but when the game ended the Blue Jays took home a 13-7 victory. The BBJHS touchdown was scored by Porter.

RICHLAND — The Mountaineers made their second appearance in Windber Stadium as they met the Richland Rams. Richland proved to be too much for our boys and went on to win 45-0.

BOSWELL — Boswell came to Berlin in the final game of the season. Roberts and Newcomer both hit pay dirt, but this was not enough as the Bears won by a 45-13 count.

J. V. FOOTBALL

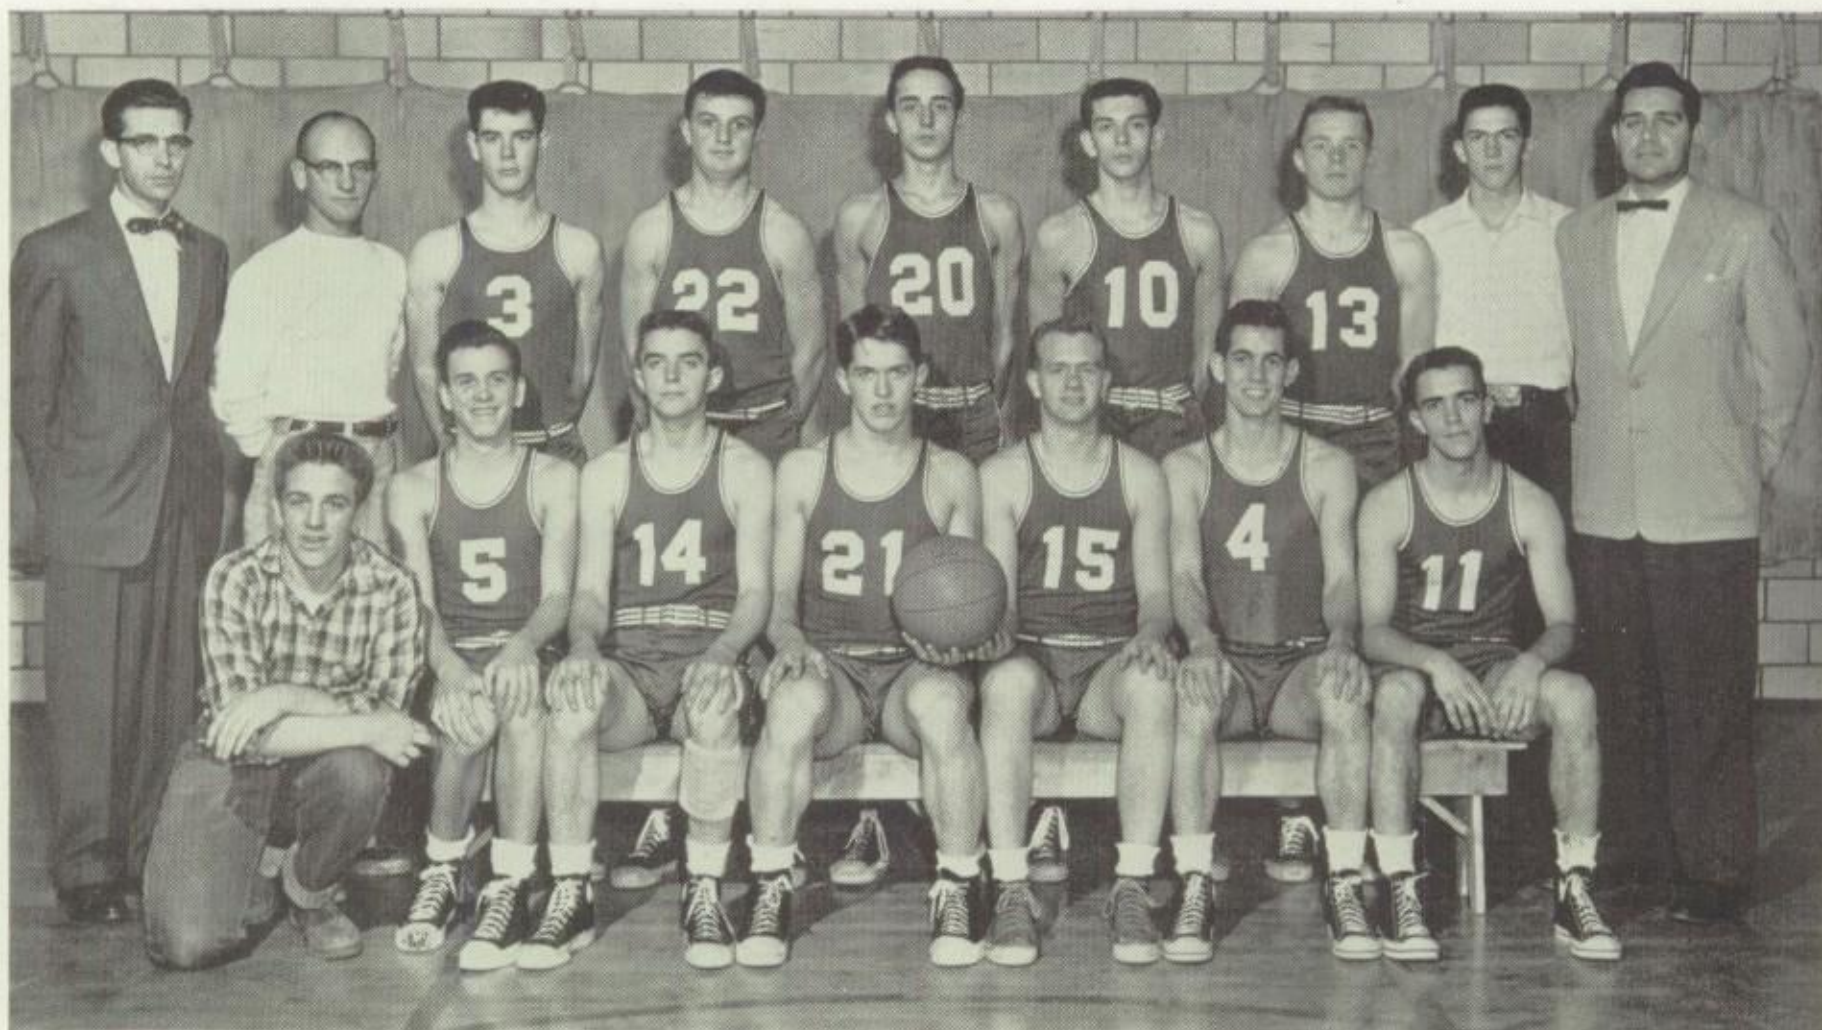

The Junior High Football team did not prove too successful as far as the win column was concerned, but they did learn much and gained quite a bit of experience. This experience will prove very useful in the future years at B.B.J.H.S. for the boys. These boys were drilled by their capable coach Harry Speicher. The captain of the Junior High team was Roger Schrock. They played scheduled games with Somerset, Meyersdale, Shade, and two games with Boswell. The Junior High team played a hard-fought game on each occasion; however they lost to their opposing team each time.

J. V. BASKETBALL

The J. V. Basketball team had a very good winning season. They won 18 games and lost only 7. The J. V. Team scored double victories over teams like Everett, Oldtown, Salisbury, Northern, Boswell, and Turkeyfoot. They split games with Somerset, Meyersdale, Stonycreek, Shade, Rockwood and Forbes. There was no team in the country able to trim the Berlin J. Vs. twice. Near the end of the season they had won 10 games in a row. One of their best played games during the winning streak was a 60-27 victory over Meyersdale. With the strength and power of this J. V. Team Berlin should continue to have winning teams in the future.

F. F. A. BASKETBALL

Berlin's F. F. A. team played in the five team Southern Somerset County League. They drew a bye and then played the winner of the Meyersdale-Rockwood game. Rockwood was the winner and met Berlin in a best of three game series. In the first game, played at Rockwood, Berlin went down to a 61-34 defeat after holding an early lead. The second game was played at Berlin and Rockwood squeezed out a 53-52 triumph. In the two game series top scoring honors went to Edison Paul of Berlin who had 50 points. High man for Rockwood was Eldon Sechler with 37 points.

TO OUR PATRONS

On behalf of the Bervalon staff we desire to express our deep appreciation to our patrons who have seen fit to patronize our yearbook — the Bervalon. Over the years, as we recall the 1956 Bervalon, we shall always remember the loyal support that you gave to help to make our yearbook possible. In writing these few words we endeavor to express our thanks to you. The staff of 1956 salutes you — the patrons who have helped to make our publication a reality.
